

Detailed example of organizational chart

- Provide an expanded accurate, up-to-date organization chart
 - Clearly designate the subject position (highlighting is good)
 - Identify at least two levels of supervision above the subject position
 - Identify all other positions directly reporting to the same supervisor
 - If position is supervisory, identify positions directly supervised by this position
 - Identify all positions by classification number, classification title, position number, and incumbent name (Vacant, if appropriate)
 - Dept. of Administrative Services rules require position numbers and salary ranges for budget and reorganization reviews (e.g., BAM, E-Board packages)
