RE: Oregon Health Authority Bi-Weekly Update on Ongoing and Emerging Issues

Dear Governor Brown,

This letter is the Oregon Health Authority's (OHA's) December 29, 2017 bi-weekly issue update. We do not have significant updates to provide this week.

OHA is continuing its work to establish the formal issue resolution process, including development of a charter, governance structure, and meeting schedule for this work. We are also continuing ongoing research and analysis into previously documented issues and documenting new issues. As noted in our previous update, once we establish the final template for our internal issue log, we will change the format of these bi-weekly updates to include a brief cover memo and the most recent version of the issue log.

Please don't hesitate to contact me with any questions you may have.

Sincerely,

/s/

Patrick M. Allen
Director
Oregon Health Authority
