Consensus Model Decision Making Poll

- “1” - I can say an enthusiastic yes to the recommendation (or action).
- “2” - I find the recommendation acceptable and have no serious objections. Improvements could be made but aren’t necessary.
- “3” - I can live with the recommendation, but I’m not overly enthusiastic. I have questions about the strengths & weaknesses and need more discussion or more work done.
- “4” - I do not fully agree with the recommendation and need to register concern. However, I will not block the recommendation. More discussion is necessary for full support.
- “5” - I do not agree with the recommendation and will actively block its movement. More discussion is necessary, or an alternative resolution is needed.
